

Company's reply to Gunnar Ryan Wiik's appeal

WR Entertainment ASA and its wholly owned US subsidiary, WR Films Entertainment Group, Inc. has on October 16, 2017 replied to Gunnar Ryan Wiik's appeal regarding Oslo City Court's decision to keep an injunction freezing 18.7M shares in Wiik's name.

After reviewing Wiik's appeal, the Company concludes that there is no substantial new evidence, and that the court's decision was correct both times. We will continue to use the law to determine the ownership of these shares which we firmly believe belong to the Company, hence the Company filed a fraud lawsuit against Wiik on June 19, 2017 in the State of California.
